RE: **ABOLISHED POSITIONS PER BUDGET ACT OF 2002**

The Department of Finance (DOF) provided the State Controller's Office with a file of positions to be abolished pursuant to the Budget Act of 2002, Control Section 31.60. On January 14, 2003, the Controller's Office used this file to create 607 transactions that abolished matching positions from the current Established Position Roster File. A departmental listing of those positions not found on the current Position Roster file has been provided to DOF for resolution. Additionally, several positions were deleted that had an expenditure during the current fiscal year. These positions will appear on the February 1, 2003 Periodic Position Control Report as "expenditures from unauthorized position".

Please refer to the Department of Finance web site (www.dof.ca.gov) for information regarding the specific positions slated for abolishment. Work-sheets 1 and 2 under the California Budget, Control Section 31.60, list the individual positions by department. Questions regarding these positions should be addressed to the Department of Finance, Michael Danti, at (916) 445-3274.
